Officer's Reports:

Chair- Thank to all who showed up today. I am excited and scared to be here. The next year ought to be a great challenge for all of us. One thing I would ask is that all GSR's to please keep your group informed of what is going on here. I now ask for your HELP. If you have a problem or a concern that pertains to area business, please feel free to give me a call at home 953-6334 or cell 238-4630. This way we can resolve problems as an area. Thanx for allowing me to serve. 4 ever grateful Robby E.

Vice Chair- Greetings area. I attended Lit & Archives, PI, Activities, & H&I today. The subcommittees are up and running. Activities does have some concerns which they will address in their report. I am looking forward to seeing this year. I would like to remind all GSR's that it is suggested that you be involved in subcommittees. You're service is greatly needed and appreciated. I would like to also remind this body that Lit & Archives is without a chair. There are exciting opportunities for service in this committee please get involved. ILS Kat O.

Treasurer- Opening Balance \$2104.41 Last month when I made the deposit I tried to get a new signature card, but was told we all had to be there to sign in front of them. I called our past treasurer to see how she obtained the card & will follow her suggestion- "Go in & talk to the bank manager." So I will to so when the deposit is made tomorrow. As for today Robby, Alicia & I signed the checks to keep with policy of 3 signatures on the checks. Looking forward to another great year of recovery. Loving service Debi D.

Secretary- Just a reminder please keep your reports so I can read them, and new GSR's please give me your address or e-mail so you can get your minutes in a timely fashion. ILS, Carrie B.

RCM-

Alt RCM- At this time I would like to reiterate everything Jay F. said. ILS Lia B.

Subcommittee reports

Public Information- All is well in PI. Most of our agenda was tabled due to servants unable to attend today and our lack of minutes. Our website is up the web coordinator made 97 changes to update the SCANA area in the world site. We had 2,277 hits. The phone line is running and in December we answered 157 phone calls. We are way pumped about the new year and more will be revealed. ILS Stacy Vice chair

H&I- Thanks you area for allowing me to chair. The H&I committee spent \$67.05 with \$122.02 balance carried over. We had 5 new members. We approved a motion to change the members requirements to 3 consecutive months. We started late and finished early. ILS Donna F.

Literature & Archives- Greetings area, we met this morning at the scheduled time. We will meet Sat. 1/8/05 @ 1pm to compile the newsletter. After careful consideration we chose the following topics for May; **Recovery: Just for Today**. Submissions are due be April area. Flyers are available. Region will be hosting an Archive open house. We discussed changing either the time or day of our committee. This will be further discussed next month. We are also further discussing holding workshops for Basic Text Personal Story revisions and writings for the newsletter. We had 2 nominations for chair Tom and John K. both declined. Kelly will likely be elected vice chair after a few more committee meetings. We are still seeking a chair. This committee provides opportunities to be creative. If you have artistic, writing, editing, organizational, or motivational skills we need you. If you have a desire to serve WE NEED YOU. Thanks ILS Kat O.

Activities- Greetings area we met today and no one came out of it bruised, bloody, or dead. The New Year's Eve event was pulled off successfully, in spite of numerous set backs & unforeseen events. Many thanks to those that showed up & worked your asses off to help us accomplish this. Also we would like to thank those of you that actually brought a side dish to this potluck event. The next event will be Bingo held January 15th @ Wakonda Christian Church. Hope to see you all there and please bring a snack to share for this event. There are still some flyers out on the table. The sweetheart dance is scheduled for Feb. 19th @ The American Legion Hall and flyers @ still out on the table also. The flyer for the March event will be out next month. If you picked up a flyer for the Recovery Jam, please dispose of this flyer as it is not accurate, due to a scheduling conflict. On a more personal note, we are running the activities subcommittee on a skeleton crew. The activities we hold each month are an important part of this fellowship and the service opportunities are endless. We are the South Central Area of Narcotics Anonymous and these activities are what they are. I would like to remind you all that its real easy to stand around and complain and whine about the problems. It takes a little more commitment, willingness & sacrifice to be part of the solution. Please make a commitment to South Central Area of NA. ILS Jess F. My name is Toni and I'm an Addict, I have had cause to rethink my membership in the Activities committee. After the so called Pot-Luck New Years dance. The lack of pots was disappointing, there were newcomers that bought more than most others, and there were the core members who gave more than their share, without regard for compensation. Thank-You, to those who brought something. I have been a member of this committee for almost all of my 14 years of recovery in Narcotics Anonymous. Just in the last few years I have been in charge of decorating, for the theme of the function, something I enjoy doing. This is something that I spend a lot of time and effort on not to mention areas money and my own. Only to see people let their children destroy them, along with the adults who think the stuff is there for their own personal wardrobe enhancement. I don't think you would go out in public and let your children or yourself tear down the decor in a restaurant, why do it here. Many items could have been reused had they not been destroyed, saving time, effort and money next year. Part of being a member of Narcotics Anonymous and the Activities committee is being responsible. That means responsible for your children's behavior, which may include financial responsibility for the two light fixtures that got broken by the child who brought the ball inside. Being a member of this committee you have a responsibility to help at the function, I can't point to anyone in particular, but I'm sure you know in your own mind wether you helped or not. I have yet to really enjoy a function in all of my recovery, because I am just to busy working it. You people want these things to happen month after month, in an effort to support financially our efforts to carry the message of recovery in our area. Through you own selfishness you take money away from this purpose. A lot of you probably think this is just the rantings of some selfish bitch who wants it all to be her way, well maybe it is. But if I can get through to just a few of you maybe the next year on the Activities committee will be more successful and enjoyable for all. I do plan to fulfill my treasurers commitment to this

committee, because in all of my recovery I have never quit a job before my time was up, how many of you can say that. I am truly trying to Live the Dream of recovery in my life today, but have had my expectations dashed at every turn when I have to rely on the people in this fellowship. In LovingService Toni L.

Area Service Office- Business as usual. We've elected a new treasurer and conducted usual business. The usual reminders pick up after yourself and please help pick up after the ASC. Please reserve close parking for those with special needs. Make sure your chair has rubber ends on all 4 legs. Please take all flyers on the table, we have had a large stack accumulating every month. We met directly after the ASC. Thanks Steve M.

Mon 7:00pm/ Thurs 7:30pm Serenity JFT- Hello area of SCANA, the Monday and Thursday meetings are going well. I was not present at the last business meeting so I have no donation at this time. The Mondays are smaller than Thursday. I thank the group for allowing me to be GSR, and I also hope to have a good year as GSR and keeping the communication alive between group and area. Thanks in loving service Phil L.

Mon 7:30pm/ Fri 7:00 Port of Entry- Friday night meetings continues strong with multiple years clean celebrated. This is a strong home group meeting for the inner-city and if you have never attended, come check out the most vibrant and excellent meeting in SCANA. Monday's meeting attendance has picked up and continues to carry a strong message of recovery from addiction. Meetings are smoking so please no young children. Port of Entry meetings are honest and real. Special thanks to Carl for his tireless and generous support that makes these meetings happen. If you have never met Carl B., come meet him at Central city and Port of Entry and meet a true service worker whose only desire is to SERVE. This entire area should publicly acknowledge Carl's contribution for the hundreds of addicts he has personally helped. ILS Emily J.W.K.

Mon/Fri 7:30pm Truth or Consequences- Our meeting is alive and well. Monday holds strong with 15-20 people and a few newcomers. Friday's attendance is a lot less with an average of 6 people attending. This meeting could use some support. We didn't have a Friday meeting on the 31st due to the dance and the Friday New Beginnings meeting. This was the group's decision. Page 126 It Works How and Why... paragraph 2 Trad. 1 "groups work together in a spirit of cooperation to ensure the survival of Narcotics Anonymous; in turn, these groups receive strength and support from every other group and all our services" P. 129 2nd paragraph is also important to remember the "unseen members" in our discussions the member yet to come. When we work to ensure the vitality to NA, we're not working just for ourselves but for those yet to join us." P. 153 last paragraph Trad. 4 "no matter how group's structures its meetings all NA groups are encouraged to keep focus of their meetings on recovery from the disease of addiction. P. 157 3rd paragraph Trad. 4 "anonymity apply 4th tradition reminds us that each group has an equal place in the fellowship of NA. Larger groups are not more important than smaller groups: older groups are not "better than the newer groups." P. 174 1st paragraph Trad. 7 "by

paying our own expenses, we remain free to carry our own message.” The question, have member put up more then their fair share? No! Members put up what they feel they can to further the message to the still suffering addict. Did this group take loan? No! Members afforded what they could and God decided it was a good thing. Truth or Consequences feels that assumptions like that of last month, cause true dis-unity and personalities over principles, especially when these persons have not attended our business meeting to find out what going on in our group. This meeting has one purpose, to carry the clear message of Narcotics Anonymous. We have asked repeatedly, do we carry this message and do we feel we follow our traditions? From newcomers they have stated yes we carry the message of NA. We have searched in our books and literature, talked to experienced members, have been told, they see no tradition breaking going on. We can not find in our books any tradition breaking going on ILS Shane B.

Tues 7:00pm/ Sat. 6:30pm Central City- no report

Wed 8:30pm/Sat.8:00pm Ames- Wed. meeting is going very well with average attendance of 8-10 members. This meeting is a text study format. Please beware Wed. meeting is @8:30pm and Sat. meeting is @8:00 contrary to what are meeting schedules read. ILS Alt. GSR Randy J.
